City of Sanibel 2010 Permits for New Single Family Homes at Five Year High

Permits were pulled to begin construction of 16 new homes on Sanibel in 2010. This represents a five year peak in new home construction on the Island. The chart below illustrates the number of permits for single-family homes on Sanibel for the past five years.

Building permits for all construction, including remodeling and new homes on Sanibel for calendar year 2010 was recorded at \$34,528,500.

Upon releasing 2010 statistics Sanibel City Manager stated, “Our trends support the fact that Sanibel remains a desirable community to reside and invest in, even during these most difficult economic times.”
