

SANIBEL SEEKING CONSTRUCTION EXPERTS

The City of Sanibel, Florida, an environmentally sensitive sanctuary barrier island community, is seeking as-needed **Structural Safety Inspectors** to serve on the early response team for the City's Damage Assessment Process in the event of a disaster or hurricane incident. The purpose of the structural safety teams is to initially assess the overall property damage on the island prior to allowing residents to return followed by a completed written external damage report for each single or multi-family structure as to its condition for occupancy.

Knowledge of building

construction is essential. Applicants should be in excellent physical condition as actual work will require extensive walking under potentially arduous conditions in a hot and humid climate. **Must be able to respond immediately upon call** and write reports of damage assessed.

Selected personnel will be required to complete approximately 6 hours of field training to include first aide and CPR in mid to late July 2011. A physical examination, drug test and background check will also be required at no cost to the selected personnel.

Applicants successfully completing the training, certification, physical and drug screen will be reimbursed \$25 per hour for the time involved, not to exceed 8 hours. Upon activation in the event of a disaster, the rate of pay will be \$50 per hour.

Send your resume to Harold Law, Jr., Building Official, City of Sanibel, 800 Dunlop Road, Sanibel, FL 33957. For additional information call (239) 472-4555.
