Where restrictions to the disposition of the material or object are found, the following procedure shall be utilized:

1. Mandatory conditions of acquisition will be strictly observed unless deviation from their terms is authorized by a court of competent jurisdiction.

2. In the event of a question concerning intent or force of restrictions, the Committee shall seek the advice of the City Attorney of the City of Sanibel.

De-Accession Procedure: Authority to de-access museum objects and materials require a majority vote of all the members of the Historical Preservation Committee. Such decision shall specify the source and or provenance of the material or object, the reasons for de-accessioning, the recommended means of disposal which may include exchange, sale (negotiated, private, public auction, sealed bid, or open bid), destruction, transfer to another museum or library, or return to the original donor or his heirs or assigns.

This statement of policy for acquisition and de-accession shall be made public by the Committee and a reference to it shall be imprinted on all forms of donation and loans for display. A copy shall be made available to any donor or prospective donor upon request.
