RE: Local Water Quality Issues and the Detrimental Impact of Preemption

Dear Representative Williams:

The City of Sanibel has been a leader in the State by adopting local legislation to protect local waters with reasonable regulations on Fertilizer. As a leader of our local legislative delegation, we are requesting your continued support in our efforts to protect our local environment. You can help protect our most valued economic engine, tourism by **VOTING NO ON HOUSE BILL 421**. Please do not take away our right to pass local legislation needed to keep our waters clean.

Thank you for your help.

Sincerely,

Kevin Ruane
Mayor
