SUBJECT: PAYMENT FROM RESERVE FOR INSURANCE DEDUCTIBLES

Attached is a Lee County Police Report detailing an automobile accident involving a City of Sanibel Police Officer. The City employee was considered at fault for the accident.

The City's insurance deductible is \$50,000 for a claim of this nature, therefore, it is recommended that the City pay for the repair of the damaged vehicle directly to the owner from the City's Reserves for Insurance Deductibles.

The owner of the damaged vehicle has provided two estimates (attached) to repair the damage to his vehicle. The lowest estimate is \$1,820.12. In addition, the injured party has requested three days payment for a rental vehicle (\$35 per day; total \$105.00) while his vehicle is being prepared, which is considered reasonable.

Request a check in the amount of \$1,925.12 be paid from the City's Reserves for Insurance Deductibles to:
