RE: 2012 Shared Use Path Repair Project

RECOMMENDATION: Award 2012 Shared Use Path Repair contract to Bonness, Inc. in the amount of \$143,175.66 and authorize the City Manager to execute the contract.

Since 2001, the City has budgeted for annual contractual shared use path repairs in order to better maintain the paths. This work involves the repair of root-damaged sections of path, path overlays and edge repairs. The 2012 project involves work on the Periwinkle Way, San-Cap Road, East Gulf Drive, Middle Gulf Drive, West Gulf Drive, and Donax Street shared use paths.

Five contractors submitted proposals for the work in response to an Advertisement for Bids placed in the May 21, 2012 edition of the Ft. Myers News-Press. The bids were opened and read aloud on June 14, 2012 in the presence of Jason Prokopetz of AJAX, Joseph Bailie of Bonness, Mike Graf of Community Paving and John Mort and Sandy Larsen from the City. As per the attached Bid Tabulation, the low bid was submitted by Bonness, Inc. in the amount of \$143,175.66.

Staff recommends that Council award the 2012 Shared Use Path Repair Project contract to Bonness, Inc. in the amount of \$143,175.66 and authorize the City Manager to execute the contract (copy attached). Funding for the work is available in the Public Works-Streets Budget (Fund 101).
