Dear Judie,

Attached is a Special Events permit as requested by your office. The purpose of the permit is to request permission to serve a 2 (two) ounce wine tasting during intermissions. Intermissions are approximately fifteen minutes long and guests return to the cultural activity afterward. Refreshments are complimentary. Attached is a list of events for our 2005 – 2006 season. If you have any questions please call me. Thank you for your consideration in this matter.
