**Licensed Pest Control Contractors**  
 updated 1/14/2013

**ABOUT THIS LIST**

The City of Sanibel does not endorse any contractor on this list, nor guarantee the work of any listed contractor. This list is provided as a service to property owners wishing to hire a licensed contractor for whitefly treatment. The City recommends contacting a minimum of 3 contractors to obtain treatment options and prices. To learn more about this pest, visit the City's website at <http://www.mysanibel.com/Departments/Natural-Resources>. If you are a contractor licensed to apply pesticides in the state of Florida but are not included on this list or are a contractor that would like to be removed from this list, please contact the City's Natural Resources Department at (239) 472-3700.
