THIS AMENDED AND RESTATED INTERLOCAL AGREEMENT is made and entered into on this 11th day of June, 2002, by and between Lee County, a political subdivision and charter county of the State of Florida (the "County"), and the City of Sanibel, a municipal corporation of the State of Florida (the "City"), collectively the "Parties" hereto.

WHEREAS, the County has heretofore enacted Lee County Ordinance No. 86-11 providing for the imposition of tolls on certain transportation facilities, including the Sanibel Bridge and Causeway, and authorizing the issuance of transportation facilities revenue bonds payable from the aggregate net revenues of such transportation facilities; and,

WHEREAS, the County has, pursuant to Ordinance No. 86-11, adopted Resolution No. 86-4-12, authorizing the issuance of Transportation Facilities Revenue Bonds, Series 1987, for the purpose of refunding the County's Sanibel Bridge Improvement Bonds dated June 1, 1979, and financing the construction of certain other Transportation Facilities; and,

WHEREAS, in connection with the County's issuance of the Sanibel Bridge Improvement Bonds dated June 1, 1979, the City and the County entered into an Interlocal

Agreement dated as of November 10, 1987; and,

WHEREAS, the Parties hereto have determined that it is in the best interests of the citizens of both the City and the County to amend and restate the prior 1987 Interlocal Agreement and to enter into this Interlocal Agreement in connection with the County's issuance of its Transportation Facilities Revenue Bonds pursuant to Ordinance No. 86-11, and Resolution No. 86-4-12 as it has been further amended.

NOW THEREFORE, in consideration of the mutual benefits to be derived from this Agreement, the Parties hereto covenant and agree as follows:

others, payments to pension, retirement, health and hospitalization funds, repayments of operating subsidies received by the County on account of such Transportation Facility, and any other expenses required to be paid for or with respect to proper operation, maintenance or repair of such Transportation Facility, all to the extent properly attributable to such Transportation Facility in accordance with generally accepted accounting principles employed in the operation of facilities similar to the Transportation Facility. Words importing the masculine gender include every other gender.

Words importing the singular number include the plural number, and vice versa.

Section 2. Term of Agreement.

This Agreement shall become effective upon its execution by the Parties hereto, and shall remain in effect for as long as any Parity Bonds remain outstanding under the Resolution.

Section 3. Maintenance of Causeway.

The County agrees that it will, at all times, maintain the Causeway in good repair

and in sound operating condition and will make all necessary repairs, renewals and replacements. To facilitate the foregoing, the County will have the Causeway inspected by an engineering firm on a biennial basis. The engineering firm will be required to submit a report setting forth its findings whether the Causeway has been maintained in good repair, working order and condition. The inspection and report on the Causeway's condition may be combined with other transportation facilities of the County.

Section 4. Imposition of Causeway Tolls.

The Parties recognize that the County is empowered to establish and impose tolls for use of the Causeway. Subject to the provisions of the Resolution, the County agrees that all such tolls shall be reasonable in amount and shall be classified in a reasonable way to cover all traffic, so that such tolls are uniform in application to all traffic falling within any reasonable classes.

Section 5. Causeway Improvements.

The Parties recognize that the County is presently proceeding to permit, design and construct certain improvements to the Transportation Facility for its entire length, which, if constructed, will develop the Transportation Facility as a two-lane roadway for traffic; one traffic lane for each direction, with two, associated, marked emergency breakdown lanes, one breakdown lane for each direction. The County will proceed in good faith to permit, design and construct the improved two-lane Transportation Facility with the two emergency breakdown lanes as described, retaining the existing Causeway islands. The description for the two, associated, marked emergency breakdown lanes will not apply to Span A (the bascule bridge) of the Project.

The Parties agree that the County will proceed to seek all necessary and required permits for the proposed Transportation Facility pursuant to the terms and conditions of its Preliminary Design and Engineering ("PD&E") Report dated June 26, 2001, and that the City will not object to, nor interfere with, the County's pursuit of the said permits pursuant to the PD&E Study so long as the current Causeway configuration is maintained.

The Parties further acknowledge said planned Transportation Facility improvement process is an uncertain one as to end result and/or timing, although the County presently anticipates said road and bridge construction may commence approximately in Year 2004. The Parties recognize that the County and the City have been working and consulting together regarding the design of the projected improvements for a substantial period of time and in conjunction with a Study Group established by the City and the County for input on the design. Should the County be unable to reasonably obtain the permits for the projected improvements to the Transportation Facility and/or should circumstances arise beyond the lawful and reasonable control of the County in the permitting, design, or construction of the two-lane road with the two marked emergency breakdown lanes which would make such roadway improvements unfeasible, then this paragraph will be deemed null, void and of no further effect, and can be so declared by the County. The County will provide the City with ninety (90) days prior written notice of the County's proposed declaration of the nullification of this section and the basis for its decision. Then, in such event, the County will consult with the City concerning any alternative designs and applications for the construction of the improvements; such consultation to be non-binding in nature for both Parties.

Section 6. Payments to the City.

On October 30th and April 30th, the County shall remit to the City twenty-one percent (21%) of the Net Revenues derived from operation of the Causeway during the semiannual period ending thirty (30) days prior to each payment date. For purposes of this Agreement, Net Revenues shall mean Gross Revenues of the Causeway less (i) Operating Expenses of the Causeway, (ii) the Causeway Debt Service Requirement, and (iii) the Renewal and Replacement Costs of the Causeway. Commencing with the first full fiscal year following completion of the proposed improvements described in Section 5. hereof, the payment due April 30 of each year shall be adjusted, if necessary and if adequate funds are then on deposit in the Surplus Account, such that the total payment to the City in each fiscal year shall not be less than \$200,000.00. Funds paid to the City pursuant to this Agreement may be used for any lawful purpose of the City.

It is expressly understood and agreed by the City that the obligation of the County to make payments to the City required by this Agreement is in all respects subject to the Resolution and that such payments shall be made only from the Surplus Account established pursuant to the Resolution and are junior and subordinate to all payments required by the Resolution.

Section 7. Tolls for Other Transportation Facilities.

The County agrees to impose on the Transportation Facilities other than the Causeway, tolls that produce Gross Revenues at least sufficient in the aggregate to pay (i) the Debt Service Requirement less the Causeway Debt Service Requirement, (ii) the Operating Expenses of Transportation Facilities other than the Causeway, and (iii) the

Renewal and Replacement Costs of Transportation Facilities other than the Causeway.

Notwithstanding the foregoing, during the period in which interest allocable to the amount of Series 1987 Bond proceeds used to finance the acquisition and construction of a parallel span to the Cape Coral Bridge has been funded from proceeds of the Series 1987 Bonds, the County may, at its sole option, elect to fund the Operating Expenses and renewal and replacement costs of the Cape Coral Bridge from lawfully available funds of the County other than Gross Revenues of the Causeway, in lieu of imposing any toll thereon.

Section 8. Series 1979 Renewal and Replacement Fund.

Upon defeasance of the Series 1979 Bonds, the County shall remit to the City a sum equal to sixteen percent (16%) of the amount then on deposit in the renewal and replacement fund established in connection with issuance of the Series 1979 Bonds.

Section 9. Books and Records.

The County agrees to maintain books, records and accounts sufficient to determine compliance with Section 6. and Section 7. of this Agreement. The City shall have the right at all reasonable times to inspect such books, records and accounts.

Section 10. Prior Agreement Amended.

Upon the execution of this Agreement by the Parties hereto, the 1987 Agreement shall be duly amended by the terms of this Agreement.

Section 11. Parties in Interest.

This Agreement is made solely for the benefit of the County and the City and no other party or person shall acquire or have any right hereunder or by virtue hereof.

Section 12. Counterparts.

This Agreement may be executed in several counterparts, each of which shall be regarded as the original and all of which shall constitute one and the same Agreement.

Section 13. Severability.

If any one or more of the covenants, agreements or provisions of this Agreement shall be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid or unenforceable, then such covenants, agreements or provisions be null and void and shall be deemed separable from the remaining covenants, agreements or provisions of this Agreement and shall in no way affect the validity or enforceability of any of the other covenants, agreements or provisions hereof.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed this 11th day of June, 2002, for the purposes herein expressed.
