

City Manager Zimomra: As the Vice Mayor and I have discussed Lee County is preparing to advertise an RFP for a firm to begin a Traffic and Revenue Analysis, Toll Rate Study and handle our typical Annual and Semi-Annual Report (s). We would like to extend an invitation to invite someone from The City of Sanibel to be a participant on the selection committee, the participant would not be a voting member but would receive all the submittal packages from the consultants and be invited to attend the selection meetings and provide input to the voting members. The voting members are Pamela Keyes, Assistant County Manager, David Loveland, DOT Director and Susan Hopwood, Toll Facilities Operations Manager.

If The City is interested in having a participant could you please send me the name and email address, I will then contact them with more specific information. If possible, having this information by Monday, May 20 would be best.

Thanks,

Eileen Price
