Community Involvement

President of the Sanibel School Fund 2013-2014.

Head of the Sanibel T-ball League Teams.

Past Director and Treasurer, and current pro bono General Counsel for the Children's Education Center of the Islands.

Each year I sponsor and coach both the Sanibel Youth Soccer League team and then the Sanibel T-ball League team at the Sanibel School.

CHR applicant representation provided pro bono to any purchasing below market housing.

FISH donation receiving station established at office.

Law Firm provides approximately 25% of all time pro bono to disadvantaged Island residents and service workers living off Island but working in community.

My family has been on the Island since 1960 and I since 1976, moving to live full time in 1987. I have extensive experience with the "way it used to be" as well as the day to day running of the "way it is now", drawing on both personal, family and professional experience and the history of the Island.

Why are you interested in this appointment?

Community involvement, as the above would show, is important to my family and I. However, it is never enough to just be involved, you must also offer to give your time to help the community identify, address and cure issues relating to the wellbeing of the community, then you must first offer to help with the problem. If you are not needed then you have fulfilled your obligation as a resident. However, if you are needed then the opportunity arises to be part of the maintenance of Island beauty and tranquility. I support the Sanibel Plan and wish to see it continue in effect while serving on a Board directly implementing its goals and rules, while also allowing an opportunity for consideration of those unfairly and inadvertently burdened by that same Plan – on a case by case basis. Finally, I have a track record and reputation of working with City Staff and Management in a friendly, collegial and amicable manner in order to get things done. I believe this will particularly help with staff and community interaction. Therefore, I have put my name forward for consideration and would appreciate an opportunity to serve on the Planning Commission.
