

Pamela – I am pleased to follow up on the recent Horizon Council Executive Committee meeting concerning support of the Horizon Foundation for 2014.

Together, the involvement and support of Marty Harrity and Doug Congress has been of paramount importance to our program of work since they came on the Horizon Council and Executive Committee. Their presence, and that of other city council members, has surely been in the forefront of so many important initiatives and we very much look forward to Doug's continuing on the Horizon Council and Horizon Council Executive Committee.

The Foundation's goal for 2014 has been increased from \$350,000 to a stretch goal of \$400,000. On behalf of Bob Koenig, 2014 Horizon Foundation president, Wayne Kirkwood asked the Executive Committee members consider increasing their support on behalf of the Horizon Foundation.

We ask that the City of Sanibel make a pledge at this time to become a "PaceSetter" for the Horizon Foundation campaign that will kickoff at the January 31 Horizon Council Annual Meeting. We currently stand at \$146,500 towards our goal of \$200,000 by the Annual Meeting. Your 2013 commitment was as a \$2,500 Investor. You will receive special recognition and seating as a "PaceSetter" at the event. Invitations will be emailed the first week of January.

Attached is a pledge sheet. If you have any questions, please let me know. Kindest Regards, B.PAT
