All businesses must have a local business tax receipt or registration on file with the City that renews yearly. After passing all field and written tests for the initial certification, you must also submit a one-time \$40.00 Vegetation Competency Card fee before your card will be issued. The Vegetation license and Fertilizer Endorsement renew every year for \$10 and you must retest every (5) five years.

IMPORTANT INFORMATION:

- **Class size is limited and pre-registration is required.** To register, you must submit a completed Vegetation Competency Card Application along with a copy of your driver's license or ID and pay the test fee. The fee for 2014 is \$37.50.
- It is highly recommended that you **bring a calculator** with you.
- Although all classes are taught in English, the class and test materials are available in Spanish. Please let us know if you would like the Spanish materials when you register.
- ****For the "Fertilizer Only" certification, students may take the "Fertilizer Only" test immediately following the class session** (and will not have to return the following week).

WHICH CERTIFICATE OF COMPETENCY DO I NEED?

There are (3) types of certificates of competency:

- **Vegetation Contractor**
- **Vegetation Contractor with Fertilizer Endorsement**
- **Fertilizer Only**
