Justification (Explain why amendment is needed): The original contract includes CDBG funds from program year 2012-2013 (HUD year 2012) to complete a Public Facilities Infrastructure Project consisting of installation of an ADA accessible boardwalk located at a flood prone section of Pond Apple Park Trail. The boardwalk will allow unrestricted access to all users of the trail including elderly and handicapped persons.

Contractor bids came in higher than originally anticipated. Therefore, the City has requested to also use CDBG 2013-2014 (HUD year 2013) funds in the amount of \$20,402 for this project.
