

Memorandum

DATE: April 1, 2014

TO: City Council

THROUGH: City Manager Judie Zimomra

FROM: Public Works Director Keith Williams

RE: Purchase of a 4X4 Pickup Truck

Recommendation: Approve purchase of a ½ ton extended cab pickup truck with 4-wheel drive option from Hurley Chrysler Jeep, Inc. for a net cost of \$23,613.00

The FY 2013/2014 Public Works Beach Parks budget, funded through Tourism Development Council (TDC) grant funds, includes the purchase of a new Beach Parks personnel pickup truck.

On February 3, 2014, an advertisement was placed in the Fort Myers News-Press for the purchase of a ½ ton extended cab 4x4 pickup truck. In response to the ad, three bids were submitted and read aloud on March 6, 2014 in the presence of Scott Krawczuk, Josh Holler and Sandy Larsen from the City.

Hurley Chrysler Jeep, Inc. submitted the low bid, which met all specifications, for a net price of \$23,613.00

Staff recommends that Council approve the purchase of the pickup truck from Hurley Chrysler Jeep, Inc. for \$23,613.00. Tourist Development Council funding is approved and available for the purchase this Beach Parks maintenance pickup truck.
