Tina, I think I'd like to try an adjunct position to see if I can still make a contribution but not have as much of an obligation.

thanks,

Committee Member Beanland,

The requirements of an adjunct member is a member of the committee to be involved with meeting involvement, plant walks and inspections. However, an adjunct member does not have voting rights and an adjunct member does not constitute as a person needed to meet quorum requirements. There is no set amount of meetings to attend, so you could attend and participate when you are available.

Thank you,

Tina,
Does this email request constitute a "request to be re-appointed to the Vegetation Committee"? Or do I have to provide something more formal? Please advise.
