

CITY OF
SANIBEL

THE DUNES

OPEN HOUSE

The public road system within The Dunes is scheduled for maintenance and resurfacing during the 2015 calendar year. In preparation for this work, the City of Sanibel has contracted with a local civil engineering firm, Johnson Engineering Inc., to work with the City and residents on the project. Our next step is to receive input from residents and property owners in The Dunes to determine if any improvements can be incorporated into the work.

A public open house is scheduled for Tuesday, April 29th under the pavilion at The Dunes clubhouse, 949 Sand Castle Road. The open house will operate from 9:30am to 1:00pm and from 4:00pm to 7:00pm. City staff as well as Johnson Engineering staff will be present to discuss the results of recent field data collection. We also will be there to receive your recommendations for any improvements to the roadways.

Dunes residents and property owners are invited to drop in to this open house any time during the hours listed to provide input and discuss with staff their thoughts. If you are unable to attend, please contact City of Sanibel Public Works at sanpw@mysanibel.com or 239-472-6397.

Thank you for your time and consideration on this matter.

Keith L. Williams II, PE
Public Works Director/City Engineer
City of Sanibel

OPEN HOUSE

Tuesday, April 29, 2014
Drop in 9:30 - 1:00 & 4:00 - 7:00
