Re: Proposed AFSCME 2008-2009 Contract

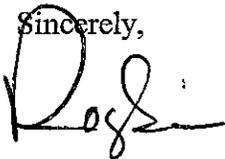

Dear Jim,

I want to inform you that at the meeting of our Local yesterday, the employees present voted for the acceptance of the tentative agreement we recently negotiated with the City of Sanibel.

This is in light of the fact that employees are facing a wage freeze along with an increase in the cost of living for the first time ever. However, our members expressed a willingness to cooperate this year to share the burden of these difficult economic conditions with Sanibel residents and taxpayers.

Your efforts, along with the City Manager and City Council's cooperation, in providing for this agreement are very much appreciated.

Sincerely,

Roy Gibson
President

This agreement is entered into effective October 1, 20058 between the City of Sanibel, hereinafter referred to as the "City", and the Florida State Lodge of the Fraternal Order of Police, hereinafter referred to as the "FOP".

It is the intent and purpose of this agreement to assure a sound and mutually beneficial working and economic relationship between the parties hereto, to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise, and to set forth herein the basic and full agreement between the parties concerning wages, hours, and terms and conditions of employment.

There shall be no individual arrangements contrary to the terms herein provided.

ARTICLE 1
RECOGNITION

The City recognizes the FOP as the exclusive bargaining representative as defined in Chapter 447, Florida Statutes, as amended, for all employees employed in the unit defined by the Public Employees Relations Commission in its certification number 1164 issued on June 27, 1997, which certification includes all sworn full-time Police Officers and Dispatchers excluding all others in the Sanibel, Florida, Police Department.

2.1. The FOP shall be represented by no more than two (2) local representatives or their two (2) designees at any one time. The representatives and their designees must be members of the bargaining unit covered by this Agreement.

2.2. The FOP agrees to notify the City Manager and the Chief of Police in writing the names of the two local representatives and two designees during the term of this Agreement. No representative shall engage in any union-related matters during work time, without the permission of a supervisor.

2.3. When any local representative, designee or member engages in union related matters, including, but not limited to: (1) either collective bargaining for a contract or a re-opener thereof; (2) meetings, consideration or resolution of grievances and/or, (3) litigation, arbitration or special master hearings, she/he shall not be compensated by the City, unless directed by a supervisor.

2.4. The City will create a time bank that may be used by FOP representatives employed by the City. All bargaining unit members who elect to participate shall contribute up to eight (8) hours of vacation time annually to the time bank. FOP officials attending union functions and conferences unrelated to City business shall be entitled to use this time off subject to approval by the Chief of Police.

ARTICLE 3
MANAGEMENT RIGHTS

3.1. Except as specifically and expressly abridged, limited or modified by the written terms of this Agreement, all of the rights, powers, and authority previously possessed or enjoyed by the City of Sanibel prior to this agreement are retained by the City, and may be exercised without prior notice or consultation with the FOP.

3.2. Nothing in this Agreement shall be construed so as to limit or impair the right of the City to exercise its sole and exclusive discretion on all of the following matters, providing such exercise is consistent with the express terms of this Agreement:

- a. To manage the Police Department and exercise sole and exclusive control and absolute discretion over the organization and operations thereof.
- b. To determine the purpose and functions of the Police Department.
- c. To determine and adopt such policies and programs, standards, rules and regulations as are deemed by the City to be necessary for the operation/improvement of the Police Department, and to select, manage, direct and evaluate all management, supervisory, administrative and other personnel.

- f. To decide the number, location, design and maintenance of the Police Department ' s facilities, supplies and equipment. To relocate, remodel or otherwise revise operations and facilities as may be deemed necessary by the City.

- h. To discharge any bargaining unit employee for proper cause.
- i. To increase, reduce, change, modify or alter the size and composition of the work force.

- j. To determine the extent of its operations, to determine when any part of the complete operation shall function or be halted, and to determine when, where and to what extent operations/services shall be increased or decreased.
- k. To make, issue, publish, enforce and modify policies, procedures, rules and regulations as the City may from time to time deem best.
- l. To determine the need for and utilization of employees, including part-time employees, auxiliary personnel and other volunteers.

All other rights to manage the Police Department and the operations, functions and purposes thereof, which are not recited in or expressly limited by this Agreement, are reserved exclusively to the City.

3.3. If, in the sole discretion of the City, it is determined that emergency conditions exist, including, but not limited to, riots, civil disorders, severe weather conditions, epidemics, public employee strikes, or other catastrophes, the provisions of this Agreement may be suspended by the City during the time of such emergency, except monetary provisions in this contract.

3.4. The Federal Laws, together with all applicable General Laws of the State of Florida, shall be supreme to this Agreement in all matters pertaining to or resulting from any negotiations in such areas of discretion as to the City's mission, budget, obligation to its citizens, organization, assignment of personnel, tasks, duties, responsibilities, or the technology required to perform work.

3.5. The City has the sole, exclusive right to direct managerial, supervisory, administrative personnel and any other employee not covered by this Agreement, to perform any task in connection with the operation of the Police Department, whether or not normally performed by the employees within the bargaining unit.

3.6. The selection and assignment of supervisory and managerial personnel are the sole responsibility of management.

3.7. The FOP recognizes that the City and the Police Department are obligated to comply with all federal, state and local laws, ordinances, regulations, directives, and guidelines, including such matters as equal employment opportunity, and the FOP shall cooperate and do all things necessary to facilitate compliance with said laws.

3.8. The City shall have the right, during the term of this Agreement, to terminate selected service/operations permanently. In such event, all obligations hereunder to its affected employees and to the FOP shall forthwith terminate. The City shall also have the right, from time to time during this Agreement, to suspend selected services/operations in whole or in part.

3.9. Except as otherwise provided in this Agreement, any written rule, regulation, policy or procedure affecting employees of the Bargaining Unit in effect prior to, as well as those issued after, the effective date of this Agreement, shall remain and be in full force and effect unless changed, modified or deleted by the City. Final authority to change, modify or delete any rule, regulation, policy or procedure rests with the City.

3.10. It is expressly understood by and between the parties to this Agreement that the City shall not be deemed to have waived or modified any of the rights reserved to the City under this Article by not exercising said rights either in a particular matter or in a particular manner.

3.11. The exercise of the above enumerated managerial rights, except as otherwise provided herein, shall not preclude an aggrieved from filing a grievance, but such grievance can be filed only on the grounds that the action complained of by him is in violation of the express written terms of this Agreement.

3.12. Nothing in this Article shall be construed as a waiver of the FOP's right to demand bargaining over the impact of any rule change which has the practical effect of altering terms and conditions of employment; provided, however, that the term "impact bargaining" shall not include resolution of the matter by means of the impasse procedures set forth in Chapter 447, Florida Statutes.

3.13. It is understood that the foregoing is inapplicable to negotiations for a new contract to take effect after the stated expiration date of this Agreement, even though such negotiations may occur during the stated term of this Agreement.

ARTICLE 4
GRIEVANCE AND ARBITRATION

4.1. DEFINITION

A grievance within the meaning of this contract shall consist of disputes about interpretations and applications of particular clauses of this Agreement and about alleged violations of this Agreement. Nothing in this Agreement shall preclude discussions between employees and the City's supervisors or managers to attempt resolution of problems in employment. Results of performance appraisals are not subject to the grievance procedure; provided, however, that a bargaining unit employee who receives an overall unsatisfactory performance appraisal shall have the right to grieve such appraisal up through Step III of this grievance procedure only. Complaints involving allegations of discrimination or sexual harassment are not subject to the grievance procedure, but may be made pursuant to Section 7-02 of the City's Personnel Rules and Regulations. When employees are relieved of duty with pay pending investigation of an alleged infraction, such action is not subject to the grievance procedure.

4.2. RULES OF GRIEVANCE PROCESSING

Every grievance hereunder must be in writing and specify: (a) the Article and Section of each Article alleged to have been violated; (b) the alleged conduct violating the Agreement; (c) the date, time and place of alleged conduct; (d) the identity of the individual(s) committing the alleged conduct; and (e) the remedy sought for the alleged violation. Failure to include all of this information in a grievance shall render the grievance null and void.

A grievance must be filed within five (5) working days from the date of the disciplinary action taken, or, in grievance not involving disciplinary action, within five (5) working days from the date the employee could reasonably be expected to have knowledge of the facts constituting the grievance. Failure to file a grievance within the time required shall render the grievance null and void.

For purposes of this Article, "working days" are defined as Monday through Sunday.

The term "filed" as used in this Article shall mean delivered and time stamped at the City Clerk's Office Monday through Friday 8:00 a.m. to 5:00 p.m., excluding holidays.

All time limits for filing and further processing of grievances as provided in this Article shall be followed unless mutually extended in writing by the parties to the Agreement. Any grievance not filed or appealed in compliance with said time limits will be deemed settled and shall be foreclosed for all contractual and legal purposes. A grievance not answered within the time limits in this Article shall entitle the aggrieved employee to proceed to the next step.

The aggrieved employee(s) may request representation by the Union at any meeting where disciplinary action is at issue. However, the unavailability of a Union representative beyond twelve (12) hours shall not be reason for extending any time limits of this Article.

Nothing in this Agreement shall be construed to prohibit an employee if he so chooses from processing his own grievance without representation by the Union where the adjustment, if any, of said grievance is not inconsistent with the terms of this Agreement.

All grievances filed by an employee shall be subject to the contractual grievance procedure provided by this Article, unless the employee elects to use the grievance procedure provided under the City's Personnel Rules and Regulations. An employee must elect which procedure he will use when the grievance is filed, and such election shall be binding.

All grievances will be filed, investigated, presented, appealed and otherwise processed under this Article during the off-duty hours of the aggrieved employee and the off-duty hours of any Union representative(s).

The Union hereby indemnifies, defends and holds harmless the City, its officers, officials, agents and employees against any claim, demand, suit or liability and for all legal fees and costs arising from any action taken or not taken by the Union with respect to processing or not processing grievances under this Article.

At any step of the grievance procedure, the Police Chief and/or the City Manager may appoint a person to act on his/her behalf.

There shall be no grievances filed on behalf of two or more employees.

STEPS

The steps shall be the same as that contained in the City's Personnel Rules and Regulations up to Step 4.

STEP 4: If a grievance, as defined in this Section, has not been satisfactorily resolved within the grievance procedure, the FOP may request arbitration no later than ten (10) working days after the City Manager's response is due in Step 3 of the grievance procedure or is provided, whichever occurs first. The parties shall first attempt to mutually agree upon an independent arbitrator.

If the City and Union fail to agree upon and select an impartial arbitrator within seven days after the FOP's request for arbitration, either party may request (and must notify the other party in writing) the Federal Mediation and Conciliation Service to name seven (7) persons who shall be affiliated with neither the City nor the Union, nor be employees of any Federal or State Agency, to serve as an impartial arbitrator. The City and the Union shall each alternately strike three of the persons so named and the seventh remaining person so named shall be the impartial arbitrator. The

party bringing the arbitration shall strike the first name. Either party has the right to reject, entirely, the first panel provided by the Federal Mediation and Conciliation Service.

Unless otherwise mutually agreed by the Union and the City, the arbitrator shall hear only one City grievance at a time.

The arbitrator shall have no power to: add to, disregard, subtract from or modify the terms of this Agreement or any amendments hereto; establish or change any wage or wage structure; or order any change in City practice which is not in violation of the express provisions of this Agreement.

In the event that a transcript of a hearing before an arbitrator is prepared, the party ordering the transcript shall pay the cost thereof. In the event more than one party desires a copy of the transcript, the cost of said transcript will be paid in proportion to the number of parties requesting the transcript. Neither the Union nor the aggrieved employee or anyone acting on his behalf shall attempt to avoid the cost of a transcript by requesting a copy of the transcript pursuant to the Public Records Act, or otherwise.

Arbitrator's fees and expenses will be paid by the losing party as defined by the arbitrator.

In the event an employee rather than the Union elects to invoke arbitration, the employee shall deposit in the Registry of the Clerk of the Court for Lee County an amount of money estimated by the arbitrator to be sufficient to cover the arbitrator's fees and expenses. Such deposit shall be promptly forwarded to the arbitrator upon presentation of a bill for such services following the rendering of the arbitrator's decision.

Unless mutually agreed otherwise by the parties, the arbitrator shall render a written decision and opinion to the parties as soon as practicable, but in no event after thirty (30) calendar days from the submission of post-hearing briefs, if any, or within thirty (30) days of the close of the hearing if no briefs are to be submitted.

The decision of the arbitrator is final and binding on all parties to the arbitration. The grounds for appealing any arbitration award rendered pursuant to this Agreement shall be as set forth in Section 682, Florida Statutes; provided, however, that a Florida Circuit Court may also vacate any arbitration award rendered pursuant to this Agreement if it is not based on competent substantial evidence or if it is inconsistent in whole or in part with State or Federal law.

The arbitrator shall not construe this Agreement in any way that supersedes or preempts applicable laws, ordinances, statutes, or the City of Sanibel Charter.

The only obligations binding on the City and the Union are those set forth in the four corners of this Agreement.

ARTICLE 5
PROHIBITION OF STRIKES

5.1. UNION ACTIVITY

The Union agrees that it will not, under any circumstances or for any reason, including alleged or actual breach of this Agreement by the City or sympathy for support of the employees or Union, call, encourage, authorize, ratify or engage in any strike, slowdown, boycott, concerted abuse of sick leave, unauthorized picketing, or other interruption of work.

5.2. EMPLOYEE ACTIVITY

Each and every employee in the bargaining unit covered by this Agreement agrees that he/she will not under any circumstances or for any reason, including alleged or actual breach of this Agreement by the City or in sympathy for or support of other employees or Union, engage in a strike, slowdown, concerted abuse of sick leave, boycott, unauthorized picketing or other interruption of work. If an employee engages in a strike, he or she shall be subject to immediate termination, and that decision shall be reviewable only by the procedures set forth in Section 447.507, Florida Statutes. If an employee engages in any other violation of this section, he or she shall be subject to immediate termination and such discharge shall be reviewable under the arbitration provisions of the contractual grievance procedure. If an arbitrator finds that an employee has engaged in the activity prohibited by this article, the arbitrator shall not reduce the penalty imposed by management without clear and compelling reasons to do so.

5.3. RIGHT OF DISCIPLINE

It is agreed that the Union shall not be responsible for any act alleged to constitute a breach of this Article if neither the Union nor any of its officers instigated, authorized, condoned, sanctioned or ratified such action.

5.4. UNAUTHORIZED PICKETING

“Unauthorized picketing”, as used herein, shall mean any action that has the effect of preventing employees from reporting to or continuing work.

5.5. INFORMATION PICKETING

Information picketing shall be authorized in accordance with the law.

ARTICLE 6
DUES CHECK OFF

6.1. The City agrees to deduct once each pay period the FOP dues of employees who individually and voluntarily certify, in writing, that they authorize such deductions. No authorization shall be allowed for payment of initiation fees, special assessments or fines. Any changes in the amount of the FOP dues would be effective in a time reasonable to allow the City to make the necessary technical and administrative payroll changes and program adjustments. The Union shall be assessed a yearly fee for administration of the dues check off in the amount of \$75.00.

6.2. The City's remittance will be deemed correct if the FOP does not give written notice to the City within thirty (30) days of receipt of the remittance that the remittance is incorrect. The FOP shall delineate with specificity the reasons why it believes the remittance to be incorrect.

6.3. If there is an amount deducted in excess of what is authorized by this Agreement, the employee affected shall seek recourse with the FOP and not the City.

6.4. No deduction shall be made from the pay of any employee for any payroll period in which the employee's net earnings for that payroll period after other deductions are less than the amount of dues to be checked off.

6.5. The FOP will indemnify, defend and hold the City harmless against any claims made and against any suit instituted against the City with respect to checkoff of union dues.

6.6. Any employee may withdraw his/her deduction upon written request and thirty (30) days notice to the City and the FOP.

ARTICLE 7
PREVAILING RIGHTS

All job benefits enjoyed by the employees and known to management which are not specifically provided for or abridged by this Agreement shall continue under conditions upon which they have previously been granted unless modified or changed by action of the City Council and/or City Manager. It is understood and agreed that management reserves the right to make changes and modifications to past, existing and future operations, techniques, rules, regulations and policies.

ARTICLE 8
COMPLIANCE WITH RULES AND REGULATIONS

8.1. All sections of the City's Personnel Rules and Regulations and Police Department Rules and Regulations, including any amendments thereto, are applicable to the bargaining unit members unless there is an express conflict between the Personnel Rules and Regulations and the Agreement, in which case this Agreement shall apply.

8.2. Rules and regulations shall be formulated and implemented by the City as deemed necessary for the operation of the Police Department in an orderly manner.

8.3. An FOP representative will be advised in writing of any changes in the City's Personnel Rules and Regulations, General Orders and Directives impacting terms and conditions of employment at least five days prior to implementation whenever possible.

ARTICLE 9
DISCIPLINE

9.1. No bargaining unit employee shall be discharged without proper cause.

9.2. The City's Personnel Rules and Regulations shall apply to any disciplinary actions; provided, however, that if an employee elects to pursue a grievance under the contractual grievance procedure as opposed to under the City's Personnel Rules and Regulations, Section 7-07, will not apply.

9.3. The City shall comply with the procedures set forth in Section 112.531, et seq., Florida Statutes whenever an officer is being investigated.

ARTICLE 10
REDUCTION IN FORCE

10.1. The City Manager may lay off an employee or employees when it is deemed necessary by reason of shortage of funds, lack of work, the abolition of positions, material changes in the job duties or organizational structure, or for other reasons within the discretion of the City.

10.2. In the event of a reduction in force, temporary, emergency, seasonal, or provisional employees in the classification and department affected shall be first laid off. If further reductions are necessary, newly hired probationary employees shall be laid off. Employees who are on promotional probation and non-probationary employees shall be laid off subsequent to the above.

10.3. Employees shall be laid off on the basis of length of service with the City provided that the employees' abilities, qualifications to perform the work and performance evaluations for the past three (3) years are relatively equal. Veteran's preference shall also be considered.

10.4. In the event of the relative inequality of these factors between employees in the same classification and department, the employee with the higher values as determined by the employer of the abilities, qualifications to perform the work and performance evaluations for the last three (3) years shall be retained.

10.5. Any employee who is to be laid off will be given a minimum of ten (10) working days' notice of the pending layoff.

10.6. Laid off employees will receive full payment for all accrued personal leave and one-half accrued medical leave at the employee's current rate of pay.

10.7. Application of the procedures for laying off employees set forth herein, but not the decision to lay off or the selection of the employee(s) to be laid off shall be grievable in accordance with the grievance procedure as outlined in this contract.

10.8. If a recall is effected, employees shall be recalled to the classification and department from which they were laid off in the reverse order in which they were laid off, provided they have not been laid off for more than one (1) year. If an employee has been laid off for more than one year, the employment relationship shall be terminated.

10.9. A recalled employee shall have ten (10) working days to return to work after having been recalled in writing by certified mail with return receipt requested, addressed to the last known address of record, unless there is a reason acceptable to the City for such failure. Failure to comply with this provision shall constitute a termination in the employment relationship.

10.10. Laid off employees who are recalled or re-employed within one (1) year from the date

of layoff may buy back their accrued vacation and medical leave balance for which they were paid at the time of layoff.

10.11. For the purposes of vacation leave accrual rate only, recalled employees shall retain credit for the prior service.

10.12. Laid off employees who are recalled or rehired shall not utilize or accrue vacation leave or medical benefits during the period they were laid off.

10.13. Recalled employees shall be granted first day coverage in health and life insurance.

10.14. All layoffs and recalls shall be coordinated and processed by the Personnel Director with authorization of the City Manager.

~~TAKE HOME VEHICLE ALTERNATIVE~~

~~34.2.— The City realizes that this is a major factor in remaining competitive with other public entities in the recruitment and retention of Police Officers. In order to remain competitive with other government entities in recruiting and retaining certified officers, and as an alternative to the take home vehicle, the City will provide a one time pay range adjustment for Police Officers of 3% of base pay effective the first full pay period following October 1, 2005. This Agreement shall remain in full force and be effective during the period of negotiations, except as otherwise provided.
