

CITY OF SANIBEL BUILDING DEPARTMENT SUBMITTAL CHECKLIST

THE FOLLOWING CERTIFICATIONS ARE REQUIRED PRIOR TO REQUESTING A FRAMING INSPECTION:

- _____ Survey with Overlay
- _____ Elevation Certificate
- _____ Piling Certification
- _____ Truss Certification (sealed for FBC 2017 6th Edition structural requirements on signed & sealed plans)

NOTE: The contractor shall submit all of the above at one time only. Place the Building Permit number on each sheet in the upper right hand corner.

Allow 24 hrs. for review of the certifications prior to requesting the framing inspection.
