

Statement of Accessibility

June 30th, 2019

The City of Sanibel is committed to providing a website accessible to the largest possible audience—regardless of technology or ability—and is actively working to increase the accessibility and usability of the website. In order to further this commitment, the City of Sanibel has contracted an independent third-party (Promet Source) for an accessibility audit and review according to [Web Content Accessibility Guidelines \(WCAG\) 2.1 Level AA](#) guidelines. Such guidelines detail best practices for ensuring assistive technology users can access the site. The guidelines also make the site more user friendly for all people.

Promet Source is currently performing a manual review of the City of Sanibel website and digital properties. Once complete, the automated review will provide a comprehensive list of any accessibility concerns and suggestions for improved accessibility.

The City of Sanibel does not discriminate on the basis of religion, age, race, color, national origin, gender, marital or parental status, disability, or any other protected class.

Should anyone find information or functionality which is inaccessible, please contact Jim Isom at 239-472-3700 or via email at accessibility@MySanibel.com. We will make every reasonable effort to accommodate accessibility requests. In calling or emailing, please provide the following information:
