

VETERANS DAY ESSAY CONTEST 2019

SANIBEL CITY HALL

WHY IS IT SO IMPORTANT TO HONOR OUR VETERANS AND CELEBRATE VETERANS DAY?

HOW ARE VETERANS IMPORTANT IN MY LIFE?

I believe that we should honor our veterans by celebrating Veterans Day, yet not just on Veterans Day. We should take a few moments at least, to take the time and think about those who have served for our country. These people have risked their lives, to leave their families, to possibly get hurt, to protect those who live in this wonderful country.

So, they fight. They fight hard. They fight for your living. They are the reason why you are free. They are the reason why you are still standing and smiling. They have done so much for you.

And when they think back on what they've done, I don't think they get noticed as much as they should. People are too busy on new technology and becoming brain dead. I feel like these veterans should be recognized every day, and mostly on Veterans Day. So, I just want to say thank you.
