**Subject:** FW: Vegetation Committee Scope

The Vegetation Committee is not seeking any changes with their current scope of responsibilities. Natural Resources staff also supports retaining the current scope for this particular committee. Please remove them from the list of committees on the Council agenda for 10/21 that are having their scopes reviewed.

**Subject:** Vegetation Committee Scope

Rob,

I spoke with Vegetation Committee Chairman Phyllis Gresham and we reviewed the Committee's current scope (as posted below) and she stated that the Committee is satisfied with the current scope and anticipates operating under that scope in 2009. I have also attached a copy of the 07-08 Vegetation Committee annual report which offers specific details about their accomplishments and goals.

**DIVISION 3. VEGETATION COMMITTEE**

Sec. 2-156. Created; membership.

There is hereby created a vegetation committee composed of five or more individuals, who are residents of Sanibel; who have assisted with vegetation inspections conducted to obtain a development permit and inspections conducted to obtain a certificate of occupancy under the supervision of a vegetation committee member; who have certified in writing to the chairman of the vegetation committee that they consider themselves qualified to conduct vegetation inspections; who have taken and passed the city's vegetation exam, and who shall be appointed for one-year terms by the city council. The council may appoint as many adjunct members as it deems advisable.

(Code 1981, § 2-46; Ord. No. 00-04, § 1(1), 4-4-2000; Ord. No. 00-16, § 1, 8-1-2000; Ord. No. 02-24, § 1, 11-19-2002)

10/10/2008

**Sec. 2-157. Advisory body; availability for consultation.**

The vegetation committee shall be an advisory body to the city council and available for consultation with any public or private person.

(Code 1981, § 2-47; Ord. No. 00-04, § 1(2), 4-4-2000)

**Sec. 2-158. Duties.**

The vegetation committee shall advise the city council and planning commission, about sound ecological management of vegetative resources in the city and may review and comment about proposed development. The vegetation committee should collect, analyze and disseminate information on basic ecological principles as they relate to island vegetation. The vegetation committee should, in addition, make available to the best of its ability expert technical assistance for any person on the island who desires advice concerning clearing or landscaping for a development activity. Such assistance shall include, but not be limited to, the identification of individual specimens of vegetation that should be preserved, advice on arrangements for the transplanting of individual specimens to other parcels on the island, and the location of appropriate native species for landscaping.

(Code 1981, § 2-48; Ord. No. 00-04, § 1(3), 4-4-2000)
