**Re: Request for Council Consideration of Additional Special Events Permits for -2009**

Dear Ms. Zimomra:

I am requesting to be placed on the City Council Meeting Agenda, currently scheduled for November 18, 2008.

As previously requested and granted for 2008, I am requesting the Council's consideration of a total of 20 special event permits for 2009.

Being granted these permits in advance has aided us in planning and executing successful events for our clients and guests as well as generating activity for other service related businesses on the island.

We will continue to maintain our highest standards of service in conjunction with our policies and procedures to ensure resort guest satisfaction in accordance with the City of Sanibel's guidelines.

I thank you in advance for your consideration.

Best regards,
