Dear Mr. Mayor, Mr. Vice Mayor and City Councilmen:

This letter respectfully represents my request to you for reappointment to the Sanibel Planning Commission. It has been my privilege and honor to serve you as Planning Commissioner for the last two years. Thank you for the opportunity.

I have been a full time Sanibel resident since 1999 and a property owner since 1991. As such, I represent no other interest than that of a full time resident dedicated to upholding the Sanibel Plan and the Land Development Code. I highly value every aspect of my life on Sanibel and serving on the Planning Commission has given me the ability to demonstrate my continued commitment and gratitude to this community.

During the last two years I have participated in many significant Planning Commission discussions and decisions. This coming year, the City Council has identified some challenging problems for consideration by the Planning Commission, including redevelopment in the resort housing district. I look forward to the possibility of being able to participate in these all important deliberations.

My service on the Planning Commission to date has been a learning experience for me in many ways; one of the most important lessons perhaps being that vox populi is alive and well on Sanibel. I sincerely hope that my contribution to Sanibel these past two years has been of value. Please consider me for reinstatement as Planning Commissioner in January.

Thank you and best regards,

David M. Berger
