

**CITY OF SANIBEL, FLORIDA**

**LEGAL NOTICE TO REGISTERED PROFESSIONAL ENGINEERS PURSUANT TO  
CHAPTER 287, FLORIDA STATUTES  
CONSULTANTS COMPETITIVE NEGOTIATION ACT**

**REQUEST FOR PROPOSAL TO RENDER PROFESSIONAL SERVICES FOR  
CIVIL/STRUCTURAL ENGINEERING FOR BOX CULVERT DESIGN**

The City of Sanibel plans to engage the professional and technical services of a Florida registered professional engineering firm experienced in the areas of civil/structural engineering and box culvert design. The scope of services includes, but is not limited to the following:

1. Provide project design services, which include engineering, construction drawings, specifications, and contract documents.
2. Provide general services during construction, which include advice and assistance to the City in the receipt and analysis of bids and the award of construction contracts, advice during construction, preparation and review of shop drawings, periodic observations of work in progress, and review of cost estimates for payments.
3. Furnish resident engineers or inspectors for inspection of construction as may be authorized by the City from time to time.
4. Provide additional engineering services as required by City.

In response to this R.F.P. the applicant shall submit (5) copies of their proposals. If additional information is needed concerning the project, please contact Gates D. Castle, City Engineer, at (239) 472-6397.

The fee for professional services to be rendered will be negotiated with the firm selected, and the firm will be required to enter into a formal agreement with the City of Sanibel.

Please submit all letters of interest and related support documentation to:

Gates D. Castle, P.E.  
Public Works Director/City Engineer  
City of Sanibel Public Works Dept.  
800 Dunlop Road  
Sanibel, FL 33957

on or before 4:00 p.m. February 27, 2009. Faxed proposals will not be accepted.
