

FSA Training Center
Stormwater Operator Certification – Level 1
Lee County – May 4-5, 2009

*Don't miss out on this opportunity to help fulfill your
jurisdiction's NPDES requirements!*

Register now for FSA's Level 1 Stormwater Operator Certification course in Fort Myers. **Meet part of the education requirements of your MS4 permit** in a personal classroom setting led by experienced and professional trainers. It's also in your area so **there's little to no travel expense!**

This two-day course is designed for field maintenance personnel such as foremen, technicians, heavy equipment operators, road stabilization crews, and crew leaders. FSA trainer Cheryl Moore will cover topics such as stormwater management systems, regulations and maintenance; heavy equipment use and maintenance; safety; and customer relations. All of this will be taught through an engaging, multi-media presentation.

For more information, including a registration form visit the FSA website at <http://www.florida-stormwater.org/OpCert.htm>
