City of Sanibel
City Council
800 Dunlop Road
Sanibel, FL 33957

Dear Councilmembers:

During my report as Planning Commission Liaison to City Council on May 5, 2009 a Planning Commission member questioned the accuracy of my statements regarding the vote on two motions.

The Planning Department has verified that my report was correct; therefore, I would like to have the following statements included in the record of this City Council meeting.

1. With regard to the motion that the largest house in the neighborhood will provide the threshold for long-form permit review the motion passed by a vote of 5 to 2; Chair Valiquette and Commissioner Smith dissenting.
2. With regard to the motion that the square footage threshold be based upon lawfully habitable building air-conditioned/heated space or square footage the motion passed by a vote of 6 to 1; Commissioner Reynolds dissenting.

Thank you for your consideration of this matter.

Sincerely,

Dr. Phillip Marks
Planning Commission Vice Chair
