

CITY OF SANIBEL, FLORIDA

**LEGAL NOTICE TO REGISTERED PROFESSIONAL ENGINEERS AND LAND
SURVEYORS PURSUANT TO CHAPTER 287, FLORIDA STATUTES
CONSULTANTS COMPETITIVE NEGOTIATION ACT**

**REQUEST FOR PROPOSAL TO RENDER PROFESSIONAL ENGINEERING
SERVICES FOR PHYSICAL MONITORING OF COASTAL EROSION AND
ACCRETION**

The City of Sanibel plans to engage the professional and technical services of a Florida registered professional engineering and/or surveying consulting firm experienced in the methods of coastal beach land and hydrographic surveying.

The purpose of the monitoring program is as follows:

1. Provide quantitative measurements of beach changes.
2. Provide data in a format that is compatible with current standards of coastal engineering practices.
3. Provide background data for the evaluation of future beach projects.
4. Maintain horizontal and vertical control for the term of project.

In response to this R.F.P. the applicant shall submit (5) copies of their proposals. If additional information is needed concerning the project, please contact Gates D. Castle, City Engineer, at (239) 472-6397.

The fee for professional services to be rendered will be negotiated with the firm selected, and the firm will be required to enter into a formal agreement with the City of Sanibel.

Please submit all letters of interest, Standard Form 330, Public Entities Crime Form, and any other related support documentation to:

Gates D. Castle, P.E.
Public Works Director/City Engineer
City of Sanibel Public Works Dept.
800 Dunlop Road
Sanibel, FL 33957

on or before 4:00 p.m. March 25, 2010. Faxed proposals will not be accepted.
