Rotary: w/mud _____ w/air _____ Casing Driven _____ Cable Tool _____ Jetting _____

Borehole: _____ inch diameter x _____ feet deep

Surface or Outside Casing: _____ inch diameter x _____ feet deep (grouted with _____ #of bags)

Single or Inside Casing: _____ inch diameter x _____ feet deep (grouted with _____ #of bags)

Total depth of well: _____ feet Open hole from: _____ feet to _____ feet

Screen: S. Steel _____ PVC _____ Fiberglass _____ Slot Size: _____

Screened from: _____ feet to _____ feet Gravel packed to _____ feet above screen

Casing Material: _____

PUMP SPECIFICATIONS:

Pump Type _____ Capacity _____ GPM

Pump Size _____ H.P. Intake Depth _____ Ft _____ GPM

Specific Capacity _____ GPM/FT Expected Usage: _____ GPD

METHOD OF PLUGGING OR ABANDONMENT: _____

PART IV. REQUIRED ATTACHMENTS FOR WELL PERMIT APPLICATIONS*:

_____ **OWNER'S AUTHORIZATION/CERTIFIED.....** If someone other than the owner will serve as the applicant in connection with the permitting process, provide a certified statement which authorizes that person to represent the owner. Forms available at City Planning Department.

_____ **SITE PLAN (1" = 20').....** A site plan, drawn to scale, showing all property lines, with dimensions, and indicating the location of all on-site or abutting open bodies of water, streets, rights-of-way, easements and the 1974 Coastal Construction Control Line (if applicable). The drawing shall specifically show the location of the well in relation to the aforementioned site features and any on-site wastewater disposal system. The site plan must demonstrate that the proposed well location complies with the setbacks listed below: [Setbacks for wells in commercial districts are set forth in Land Development Code Section I.D.3.]

RESIDENTIAL SETBACKS

Proposed

Required

- | | |
|-------|--|
| _____ | 10' from Side and Rear Property Lines |
| _____ | 20' from Mean High Water Line of Open Bodies of Water |
| _____ | 75' from Center Line of Arterial or Collector Roads |
| _____ | 50' from Center Line of Local Roads (See LDC Sec. I.E.13. for Special Setbacks.) |
| _____ | Landward of the 1974 Coastal Construction Control Line |

_____ **OTHER AGENCY PERMITS.....**Provide a certified statement by the applicant setting forth all other permits that are required by any other governmental agencies in connection with the proposed well; and, if other permits are required, provide a copy of the application and the permit received.

Note: A South Florida Water Management District Consumptive Use Permit is NOT required for:

- a. Water used strictly for domestic use at a single-family dwelling or duplex *provided that the water is obtained from one well for each single-family dwelling or duplex; or*
- b. Water used at a single-family dwelling or duplex including, but not limited to home lawn and ornamental Irrigation, car washing, and other incidental uses *provided that the water is obtained from one well for each single-family dwelling or duplex.* [Ref. Florida Statutes Section 373.219]

All other wells require a valid permit or letter of exemption from South Florida Water Management District.

_____ **OTHER INFORMATION NECESSARY TO DETERMINE COMPLIANCE WITH THE SANIBEL LAND DEVELOPMENT CODE OR THE SANIBEL PLAN.** (Proof of ownership may be required prior to issuance of the well permit.)

******* CERTIFICATION *******

I hereby certify that the information contained in this application and the attachments hereto are true and correct to the best of my knowledge and belief. Furthermore, I acknowledge that the City has the right to inspect the subject property in conjunction with this development permit application. (Please advise the City of any restrictions or limitations on the inspections.)

SIGNATURE OF OWNER OR OWNER'S AUTHORIZED REPRESENTATIVE

DATE

NOTE TO OWNER/APPLICANT: The proposed development may be subject to private deed restrictions or covenants. It is the applicant's responsibility to verify with the appropriate property owners association whether the proposed development complies with the applicable deed restrictions or covenants. The City does not enforce deed restrictions or act as an arbitrator between the applicant and the association.

*The information and attachments requested as part of this application are the minimum necessary to determine compliance with the requirements of The Sanibel Plan and the

Land Development Code (LDC). The City may require additional information, at any time during the application process, to determine compliance with the requirements of the Sanibel Plan and the LDC.
