MEMORANDUM

May 25, 2010

TO: City Manager Judie Zimomra

FROM: Police Chief William Tomlinson 

RE: 2010 Edward Byrne Memorial Justice Assistance Grant (JAG) Program

Staff recommends approval of the 2010 Edward Byrne Memorial Justice Grant Program. F.D.L.E. has set aside \$283,134 in grant funds for Lee County.

The formula for distribution is as follows:

Salvation Army	\$129,244
Lee County Sheriff	\$90,914
Cape Coral P.D.	\$49,000
Fort Myers P.D.	\$11,145
Sanibel P.D.	\$2,831

The Sanibel Police Department will use the funds to purchase a mobile computer for road patrol.

Kevin Ruane, Mayor
City of Sanibel

Mr. Ruane,

The Edward Byrne Memorial Justice Assistance Grant Program provides grant funds to state and local units of government for projects designed to improve functioning of the criminal justice system. This year, \$283,134 is available for projects in Lee County. A condition of participation requires local units of government to reach consensus on the expenditure of these funds. An attached letter of support for the projects listed below is requested to meet this requirement:

Lee County Human Services

Amount: \$129,244

Funding will be used to pay the estimated \$55 per diem rate to house individuals at the Lee County Triage Center/Low Demand Shelter. The Triage Center is a single point of entry for law enforcement officers to divert individuals being charged or at risk of being charged with minor ordinance violation or non-violent offenses. It is at the discretion of law enforcement to utilize the facility as a voluntary alternative to arrest. Many individuals being brought to the Triage Center are homeless and have a substance use disorder or mental illness, often an underlying reason for the nuisance type crimes that brought them to the attention of law enforcement.

Lee County Sheriff's Office

Amount: \$90,914

Funding will be used to add a full-time narcotics detective to the Pharmaceutical Diversion Unit. This will allow investigators to combat overdose deaths and fight unscrupulous licensed physicians, registered nurses, nursing staff and health care service employees who are stealing pharmaceuticals and diverting those prescription drugs to street level dealers for profit.

Cape Coral Police Department

Amount: \$49,000

Funding will be used for implementation of a P-25 compliant radio system for Lee County police and fire. The project culminates an \$8 million Community Oriented Policing Services grant awarded to the City of Cape Coral in September 2007.

Fort Myers Police Department

Amount: \$11,145

Funding will be used for training focused on mental health and Crisis Intervention Training (CIT) for the sworn personnel. The CIT program teaches officers about mental illnesses, the local service delivery system and effective ways to de-escalate a person experiencing a crisis due to a mental illness.

Sanibel Police Department

Amount: \$2,831

Funding will be used to improve its wireless police reporting system through the purchase of computer equipment for a patrol officer.
