Re: Request for Council Consideration of Additional Special Events Permits for -2011

Dear Ms. Zimomra:

I am requesting to be placed on the City Council Meeting Agenda, currently scheduled for Tuesday December 7, 2010.

As previously requested and granted for 2010, I am requesting the Council's consideration for a total of 20 special event permits in 2011.

Although we were unable to utilize all permits granted in 2010 due to less business activity, the granting of these permits in advance will aid us in the planning and execution of successful events for our clients and guests in addition to generating activity for other service related businesses on the island.

We continue to maintain our highest standards of service in conjunction with our policies and procedures to ensure resort guest satisfaction in accordance with the City of Sanibel's guidelines.

I thank you in advance for your consideration.

Best regards,
